RULES AND ORDERS

OF THE

BOARD OF ALDERMEN.

SECTION 1. The Mayor, and in his absence the Chairman of the Board, shall take the chair at the hour to which the Board shall have adjourned, and shall call the members to order, and, a quorum being present, shall cause the minutes of the preceding regular meeting to be read; and, in the absence of the Mayor and Chairman, the senior member present shall preside as Chairman *pro tempore*.

SECT. 2. He shall preserve decorum and order; may speak to points of order in preference to other members, and shall decide all questions of order, subject to an appeal to the Board, by motion regularly seconded; and no other business shall be in order till the question on appeal shall have been decided.

SECT. 3. He shall declare all votes; but, if any member rises to doubt a vote, he shall cause a return of the members voting in the affirmative and in the negative, without debate on the question.

SECT. 4. He may read sitting; but shall rise to state a motion, or put a question to the Board.

SECT. 5. When the Mayor shall desire to vacate the Chair, he shall call the Chairman of the Board to take it, and in his absence the senior member present. When the Chairman of the Board or the Chairman *pro tempore* shall desire to vacate the Chair, he may call any member to it, but such substitution shall not continue beyond an adjournment.

SECT. 6. On all questions and motions whatsoever, the Chair shall take the sense of the Board by yeas and nays, provided any member shall so require. And every Ordinance, Resolution or Order (except Orders of Notice, papers from the Common Council, Orders of Inquiry, and Orders relating to the Department of Health), after being read, shall be laid on the table before its consideration by the Board; and no such Ordinance, Resolution or Order (except as above) shall be considered at the same meeting at which it is offered, except by special vote.

SECT. 7. The Chair shall propound all questions in the order in which they are moved, unless the subsequent motion shall be previous in its nature, except that in the naming sums and fixing times the largest sum and longest time shall be put first.

SECT. 8. After a motion is stated or read by the Chair, it shall be deemed to be in possession of the Board, and shall be disposed of by vote; but the mover may withdraw it at any time before a decision or amendment.

SECT. 9. When a question is under debate, the Chair shall receive no motion but *to adjourn, to lay on the table, to postpone to a day certain, to commit,*

to amend, or to postpone indefinitely; which several motions shall have precedence in the order in which they stand arranged; and a motion to strike out the enacting clause of an Ordinance shall be equivalent to a motion to postpone indefinitely.

SECT. 10. The Chair shall consider a motion to adjourn as always in order, except on an immediate repetition; and that motion, and the motion to lay on the table or to take up from the table, shall be decided without debate.

SECT. 11. When a vote has been passed, it shall be in order for any member to move a reconsideration thereof, at the same meeting; or he may give notice to the Clerk within twenty-four hours of the adjournment of his intention to move a reconsideration at the next meeting, in which case the Clerk shall retain possession of the papers until the next meeting; and, when a motion for reconsideration is decided, that vote shall not be reconsidered.

SECT. 12. Every member when about to speak shall rise, and respectfully address the Chair; shall confine himself to the question under debate, and avoid personalities.

SECT. 13. No member speaking shall be interrupted by another, but by rising to a call to order, or for explanation.

SECT. 14. No member shall be permitted to vote, or serve on any Committee, on any question where his private right is immediately concerned, distinct from the public interest.

SECT. 15. Every member who shall be present

when a question is put where he is not excluded by interest *shall* give his vote, unless the Board for special reasons shall excuse him. Application to be so excused on any question must be made before the Board is divided, or before the calling of the yeas and nays; and such application shall be accompanied by a brief statement of the reasons, and shall be decided without debate.

SECT. 16. Every motion shall be reduced to writing, if the Chair shall so direct.

SECT. 17. Any member may require the division of a question, when the sense will admit of it. A motion to strike out and insert shall be deemed indivisible; but a motion to strike out being lost shall not preclude amendment, or a motion to strike out and insert.

SECT. 18. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

SECT. 19. Motions and reports may be committed or recommitted at the pleasure of the Board.

SECT. 20. When a vote is doubted, the members for and against the question, when called on by the Chair, shall arise, and stand till they are counted.

SECT. 21. All questions relating to priority of business to be acted upon shall be decided without debate.

SECT. 22. When a motion is made to refer any subject, and different committees are proposed, the question shall be taken in the following order: —

1. To a Standing Committee of the Board.
2. To a Select Committee of the Board.
3. To a Joint Standing Committee.

3. Papers from the Common Council.
4. Reports of City Officers.
5. Reports of Committees.
6. Motions, Orders and Resolutions.

And the above order of business shall not be de-

parted from, but by the votes of a majority of the members of the Board present.

SECT. 25. Each Committee *elected* on the part of this Board shall organize at its first meeting by the choice of a Chairman, and shall report the same to this Board; and in all cases where the Chair appoints a Committee, unless otherwise provided for, the member first named shall be Chairman, and in his absence, the member next in order who shall be present shall be Chairman *pro tempore*.

SECT. 26. Committees of the Board, to whom any matter is specially referred, may be required to report within four weeks, or ask for further time.

SECT. 13. No bills shall be approved by the Committee on Accounts for refreshments or carriage-hire furnished to any member of the City Government, unless said bills are approved by the Chairman of a Standing or Special Committee of the City Council, or either branch thereof, duly authorized by vote of such Committee; in which cases, said bills shall be paid from the appropriation to which they are incident; and the Committee on Accounts shall not pass any bill, unless it is approved, as provided in this and the preceding section.

SECT. 14. All bills for refreshments or carriage-hire, incurred more than three months previous to the date of their presentation, shall go before the City Council for approval.

RULES AND ORDERS

OF THE

COMMON COUNCIL.

DUTIES AND POWERS OF THE PRESIDENT.

SECTION 1. The President shall take the chair precisely at the hour to which the Council shall have adjourned. He shall call the members to order; and, on the appearance of a quorum, shall proceed to business, unless the reading of the minutes of the preceding meeting shall be called for by some member.

SECT. 2. He shall preserve decorum and order; may speak to points of order in preference to other members; and shall decide all questions of order, subject to an appeal to the Council, by motion regularly seconded, and no other business shall be in order till the question on the appeal shall have been decided.

SECT. 3. He shall declare all votes; but, if any member rises to doubt a vote, the President shall cause a return of the members voting in the affirmative and in the negative, without further debate on the question.

SECT. 4. He shall rise to address the Council, or to put a question; but may read sitting.

SECT. 5. In all cases the President may vote.

SECT. 6. When the Council shall determine to go into a Committee of the Whole, the President shall appoint the member who shall take the Chair. The President may at any other time call any other member to the Chair, but said substitution shall not continue beyond an adjournment.

SECT. 7. On all questions and motions whatsoever, the President shall take the sense of the Council by yeas and nays, provided one-fifth of the members present shall so require.

SECT. 8. The President shall propound all questions in the order in which they are moved, unless the subsequent motion shall be previous in its nature, except that in the naming sums and fixing times, the largest sum and longest time shall be put first.

SECT. 9. After a motion is stated or read by the President, it shall be deemed to be in possession of the Council, and shall be disposed of by vote; but the mover may withdraw it at any time before a decision or amendment.

SECT. 10. When a question is under debate, the president shall receive no motion but to adjourn, to lay on the table, for the previous question, to postpone to a day certain, to commit, to amend, or to postpone indefinitely, — which several motions shall have precedence in the order in which they stand arranged; and a motion to strike out the enacting clause of an Ordinance shall be equivalent to a motion to postpone indefinitely.

SECT. 11. The President shall consider a motion

to adjourn as always in order, except upon an immediate repetition; and that motion, and the motion to lay on the table, or to take up from the table, or to take the previous question, shall be decided without debate.

SECT. 12. He shall put the previous question in the following form: "*Shall the main question be now put?*" and all debate upon the main question shall be suspended until the previous question shall be decided. After the adoption of the previous question, the sense of the Council shall forthwith be taken upon amendments reported by a Committee, upon all pending amendments, and then upon the main question.

SECT. 13. All incidental questions of order, arising after a motion is made for the previous question, shall be decided without debate, except on an appeal; and on such an appeal, no member shall be allowed to speak more than once without leave of the Council.

SECT. 14. When two or more members happen to rise at once, the President shall name the member who is first to speak.

SECT. 15. All Committees shall be appointed and announced by the President, unless otherwise provided for, or specially directed by the Council.

RIGHTS, DUTIES, AND DECORUM OF MEMBERS.

SECT. 16. In the absence of the President, the senior member present shall call the Council to order, and preside until a President *pro tempore* shall be

chosen by ballot; and, if an election is not effected on a first trial, on a second ballot a plurality of votes shall elect.

SECT. 17. Every member, when about to speak, shall rise and respectfully address the President; shall confine himself to the question under debate, and avoid personalities; and shall sit down when he has finished. No member shall speak or vote out of his place without leave of the President.

SECT. 18. No member speaking shall be interrupted by another, but by rising to call to order, or for explanation.

SECT. 19. When a vote has been passed, it shall be in order for any member who voted in the majority to move a reconsideration thereof at the same meeting, or he may give notice to the clerk within twenty-four hours of the adjournment, of his intention to move a reconsideration at the next meeting, in which case the clerk shall retain possession of papers until the next meeting, and when a motion for reconsideration is decided, that vote shall not be reconsidered.

SECT. 20. No member shall be obliged to be on more than two Committees at the same time, nor Chairman of more than one.

SECT. 21. No member shall be permitted to stand up to the interruption of another, while any member is speaking; or to pass unnecessarily between the President and the person speaking.

SECT. 22. When any member shall be guilty of a breach of either of the Rules and Orders of the Coun-

cil, he may be required by the President to make satisfaction therefor; and, in such a case, he shall not be allowed to vote or speak, except by way of excuse, till he has done so, unless otherwise ordered by the Council.

SECT. 23. No member shall be permitted to vote or serve on any Committee, on any question where his private right is immediately concerned, distinct from the public interest.

SECT. 24. Every member who shall be present when a question is put, where he is not excluded by interest, shall give his vote, unless the Council, for special reasons, shall excuse him; application to be so excused on any question must be made before the Council is divided, or before the calling of the yeas and nays, and such application shall be accompanied by a brief statement of the reasons, and shall be decided without debate.

SECT. 25. Every motion shall be reduced to writing, if the President shall so direct.

SECT. 26. Any member may require the division of a question, when the sense will admit of it. A motion to strike out and insert shall be deemed indivisible; but a motion to strike out being lost, shall not preclude amendment, or a motion to strike out and insert.

SECT. 27. No motion or proposition of a subject different from that under consideration, shall be admitted under color of amendment.

SECT. 28. Motions and reports may be committed or recommitted at the pleasure of the Council.

SECT. 29. At every regular meeting of the Council, the order of business shall be as follows: —

1. Papers from the Board of Aldermen.
2. Unfinished business of preceding meetings.
3. Communications and reports from City Officers, Presentation of Petitions, Remonstrances, and Memorials.
4. Reports of Committees.
5. Motions, Orders or Resolutions.

SECT. 30. When a vote is doubted, the members for and against the question, when called on by the President, shall rise and stand till they are counted.

SECT. 31. All questions relating to priority of business to be acted upon shall be decided without debate.

SECT. 32. When a motion is made to refer any subject, and different Committees are proposed, the question shall be taken in the following order: —

A Standing Committee of the Council.
A Select Committee of the Council.
A Joint Standing Committee.
A Joint Select Committee.

SECT. 33. The seats of the members of the Council shall be numbered, and shall be determined, in the presence of the Council, by drawing the names of members, and the number of the seats, simultaneously; and each member shall be entitled

for the year to the seat bearing the number so drawn against his name, and shall not change it except by permission of the President.

SECT. 34. No member shall call another member by his name in debate, but may allude to him by any intelligible and respectful designation.

SECT. 35. If the reading of any paper is called for, and any member objects thereto, it shall be decided by the Council.

SECT. 36. No rule or order of the Council shall be dispensed with, altered or repealed, unless two-thirds of the members present consent thereto.

PETITIONS, MEMORIALS, ETC.

SECT. 37. All papers addressed to the Council shall be presented by the President, or a member in his place; and shall be read by the President, Clerk, or such other person as the President may request; and shall be taken up in the order in which they are presented, except when the Council shall otherwise determine.

POWERS AND DUTIES OF COMMITTEES, ETC.

SECT. 38. The rules of proceeding in the Council shall be observed in Committee of the Whole, so far as they are applicable. A motion to rise, report progress, and ask leave to sit again, shall be first in order, and shall be decided without debate, and the previous question shall not be moved.

SECT. 39. Standing Committees on Elections, Police, Health, Paving, and Armories and Military

Affairs, shall be appointed at the beginning of the municipal year, and shall consist of five members each.

SECT. 40. No Committee shall sit during the sessions of the Council without special leave.

SECT. 41. All Committees of the Council, chosen by ballot, or consisting of one or more from each Ward, shall be notified of their first meeting by the Clerk, by the direction of the President; they shall organize at their first meeting, by a choice of a Chairman, and shall report the same to the Council; and members, on the part of the Council of Joint Committees chosen as aforesaid, shall choose a chairman at their first meeting, and report to the Council in like manner.

In all cases where the President appoints a Committee, unless otherwise provided for, the member first named shall be Chairman, and in his absence, the member next in order who shall be present shall be Chairman *pro tempore.*

SECT. 42. All Select Committees of the Council shall consist of three members, unless otherwise ordered.

SECT. 43. No report of any Committee shall be entitled to be received, unless agreed to in Committee assembled.

SECT. 44. No meeting of any Committee shall be called upon less notice than twenty-four hours.

SECT. 45. It shall be the duty of all Standing Committees to keep a record of their doings in books provided by the city for that purpose.

SECT. 46. Committees of the Council, to whom any matter is specially referred, may be required to report within four weeks, or ask for further time.

ELECTIONS, ORDINANCES, ORDERS, ETC.

SECT. 47. All nominations of officers to be elected by ballot shall lie over for one week after being reported, before action is taken thereon. All Ordinances, Orders and Resolutions shall have two several readings before they are finally passed; and no Ordinance, Order or Resolution imposing penalties, or authorizing the expenditure of money, — whether the same may have been appropriated or not, — and no Order or Resolution authorizing a loan shall have more than one reading on the same day; *provided*, however, that nothing herein contained shall prevent the passage of an order at any meeting of the Council, to authorize the printing of any document relating to the affairs of the city.

ELECTIONS, ETC.

SECT. 48. In all elections by ballot on the part of the Council, the number of blanks and ballots for ineligible persons shall be reported, but shall not be counted in the returns.

SECT. 49. All salaried officers shall be voted for by written ballots.

DUTIES OF CLERK, ETC.

SECT. 50. The Clerk shall keep minutes of the votes and proceedings of the Council; enter thereon such orders and resolutions as are adopted, by their

title or otherwise; shall notice Reports, Petitions, Memorials, and other papers which are presented; and shall enter all accepted Reports of Select Committees of the Council, at length, in a separate journal to be kept for that purpose, and provided with an index; shall draw up all messages to the Board of Aldermen and send them by the Messenger; and shall attend the meetings of Committees of the Council, and make their records when required.

SECT. 51. The members of the Council shall not leave their places on adjournment, until the President shall declare the Council adjourned.

FIRE ALARM TELEGRAPH.

[Ord. p. 252.]

JOHN F. KENNARD, *Superintendent.* Office, City Hall. Salary, $3,000 per annum. [Chosen by concurrent vote.] He has also the care and charge of all the public Bells and Clocks.

Operators, Charles A. Stearns, James N. George, Cyrus A. George, Granville S. Mendell, $4 per day.

Repairers, George S. Thom, Adam McAfee, Uzziel Putnam, Wm. H. Godfrey, $4 per day. Charles M. Chaplin, General Assistant, $3.50 per day.

A constant watch is kept at the office, City Hall, night and day, by the operators. Each operator serves two alternate terms, of three hours each, as principal, and the same as assistant operator; so that twelve hours' service at the office, out of every twenty-four, is required from each operator. No operator is permitted to sleep during his watch, unless expressly relieved by some one else, and by consent of the Superintendent.

Each operator is accountable to the Superintendent for any mistakes that may occur at the office during his hours of duty.

An accurate account is kept of the time of giving each alarm, and of the station from which it originates, and all other necessary information.

Alarms are transmitted to the Central Office, from the Signal Stations or Boxes, by pulling a slide in the Box. The police officers, and one other person resident near each station, have keys to the Boxes.

ALARMS are sounded by striking the number of the box upon the *Alarm Bells*, and upon the *Gongs* in the Engine-Houses.

EXAMPLES: To announce the existence of a fire near Box No. 41 (Old South Church), the bells will strike *four*, make a pause of a few seconds, then strike *one*, thus 4 — 1. This will be repeated at intervals of about one minute.

For a fire near Box No. 145 (South Boston Point), the bells will strike *one*, make a pause, then strike *four*, another pause, then strike *five*, thus: 1 — 4 — 5.

Second Alarms are sounded by striking ten blows. *Third Alarms* are sounded by striking twelve blows twice, thus: 12 — 12.

In cases where the entire department are required, alarms are sounded by striking twelve blows three times, thus: 12 — 12 — 12.

In cases where Hook & Ladder Companies *only* are wanted, signal to be given by striking ten blows once, with the number of the Company struck twice, thus: Hook & Ladder No. one, 10 — 1 — 1. Hook & Ladder No. four, 10 — 4 — 4. Hook & Ladder No. seven, 10 — 7 — 7.

If more than one Hook & Ladder Company is wanted, the signal will be given thus: Hook & Ladder one and three, 10 — 1 — 1 — 3 — 3. Hook & Ladder two and four, 10 — 2 — 2 — 4 — 4. Hook & Ladder five and seven, 10 — 5 — 5 — 7 — 7.

No person will give alarms for the same fire (after the first alarm has been given), without an order from an Engineer; and the person so ordered will be *sure* to go to the *same box* from which the first alarm was given, and report the same to the Chief Engineer.

Alarms are usually given in less than a minute from the time the Box is operated.

DIRECTIONS TO THOSE WHO HOLD SIGNAL KEYS.

1. If a fire is discovered in your vicinity, go to the nearest Box.

2. Pull the slide down once and let go. Wait at the Box, and direct the firemen to the fire.

3. If you hear no reply on the bells, pull again. If still no reply, go to the nearest Box.

4. The police, upon hearing the bells, will spring their rattles and call the number of the station.

CAUTIONS.

1. Be sure your Box is locked before leaving it.

2. Never open the Box, except in cases of fire.

3. Never let the key go out of your possession, unless called for by the Superintendent.

Although the need of a public library had been for a considerable time felt and acknowledged, and a small number of volumes of a miscellaneous character had been sent to the City Hall with a view to the future formation of such an institution, nothing definite in relation thereto was done until the fifth of August, 1850, when Hon. JOHN P. BIGELOW, then Mayor of the City, contributed the sum of one thousand dollars for the purpose of establishing the Public Library. This donation, being

the first money that was given for the object, was received joyfully, and funded by the City Council; and the Committee on the Library were directed to "proceed with as little delay as possible to carry into effect the establishment of a free Public Library."

Joshua Bates, Esq., of London, whose early life was passed in Boston, having offered to this city the munificent sum of fifty thousand dollars, towards the purchase of books for the Public Library of the city, if the city would erect a suitable building for that purpose, — on the 24th of February, 1853, an order was passed by the city council authorizing the committee on the library, in conference with the board of trustees, to purchase a suitable site for the erection of a building which should be fully adapted for the purpose of the library, including Mr. Bates's donation. Accordingly, said committee purchased 23,380 feet of land on Boylston street, opposite the Common, upon which an elegant and commodious edifice has been erected, at a cost to the city, for land and building, amounting to about $365,000.

This building was finished and delivered into the custody of the city council, and by the city council was transmitted to the care of the trustees of the public library, with appropriate ceremonies, on January 1, 1858.

Besides the above mentioned donations in money, the sum of *ten thousand dollars* was subsequently *given* by Hon. Jonathan Phillips, who, by his will, *bequeathed* an additional sum of *twenty thousand dollars* for the maintenance of the library. Another sum of *ten thousand dollars* was bequeathed by the late Hon. Abbott Lawrence. All of these sums have been funded by the city council, and the annual proceeds are expended for the purchase of books of permanent value.

The sum of *one thousand dollars* was given by the late Samuel Appleton, Esq., and the *same amount* by Mrs. Sally I. K. Shepard, for the purpose of procuring books for the immediate use of the public.

Very valuable donations of *books* have been made by the late Rev. THEODORE PARKER, the heirs of Hon. NATHANIEL BOWDITCH, GEORGE TICKNOR, and others.

By the munificence of THOMAS G. APPLETON, Esq., of Boston, the very rich and valuable collection of engravings, formerly belonging to Cardinal Tosti of Rome, now deceased, was purchased and presented to the Public Library. The collection contains nearly 10,000 prints, many of which are framed.

The Library opens at 9 o'clock, A. M., every secular day throughout the year, except the five legal holidays, and such other days as the Trustees may direct.

The Reading Room, provided with seats for one hundred readers, is closed at 10 P. M.

The Fine Arts Room, where ladies can use the Lower Hall catalogues, is closed at 8 P. M.

The Lower Hall delivery of books ceases at 8 P. M. This hall now contains over 28,500 volumes.

The Bates Hall delivery of books for *home use*, as well as for use in the hall, ceases at 6 P. M., from October to March, and at 7 P. M., from April to September. This hall now contains over 124,000 volumes.

Persons admitted to use the Library. — Any person above the age of fourteen years may use the Reading Room (which has now by far the best collection of American and foreign periodicals in the country), and, if above sixteen, may make use of the books within the building.

All inhabitants of Boston above the age of sixteen years; all clergymen and teachers having regular occupation in the city, though not residents; and all, even if under sixteen, who have received certificates of graduation, medals or Lawrence prizes, from the Public Schools, and are still inhabitants of Boston, or who belong to the Girls' High and Normal Schools, are entitled to a full use of the Library. All classes in this paragraph must have signed the application card and given satisfactory refer-

ence to two citizens. *The registration takes place in the Fine Arts Room.*

All members of such other of the higher educational institutions in the city, as the trustees may have especially permitted, are entitled to a full or a partial use of the Library.

EAST BOSTON BRANCH LIBRARY.

This Branch of the Free Public Library of the city of Boston comprises two distinct collections of books, — one begun by the East Boston Library Association in 1852, and merged in the Sumner Library in 1860, and presented to the city of Boston to form a portion of the East Boston Branch Library; and the other of books taken from the Central Library, with additions by purchase, so as to give completeness and harmony to the whole.

This Branch Library, located in the old Lyman School-house, on Meridian street, was opened to the public in November, 1870, and was formally dedicated by appropriate services on March 22, 1871.

The election of Mayor for 1845 was more warmly contested than in any former year. There were not less than eight several

ballotings by the citizens. At the eighth trial, on the twenty-first of February, Thomas A. Davis was elected.

In the mean time, from January to February 27, 1845, William Parker, one of the aldermen, having been elected chairman of the board of aldermen, performed the duties of mayor.

On the sixth of October, Thomas A. Davis, being in declining health, resigned the office of mayor, which resignation, however, was not accepted by the city council; and on the twenty-second of November he died, being the first mayor who has died in office since the organization of the city government in 1822.

On the 11th of December, Josiah Quincy, jr., was elected mayor by the city council, for the unexpired term of 1845.

Benson Leavitt, one of the board of aldermen, acted as chairman of the board in the interval between the death of Mr Davis and the election of Mr Quincy.

In 1851, Benjamin Seaver, having already been elected an alderman of the city for 1852, was afterwards chosen mayor for said year.

At the commencement of the ensuing municipal year, 1852, he resigned as an alderman, and accepted the office of mayor.

The election of mayor for 1854 was continued through three ballotings, from December 12, 1853, to January 9, 1854. In the mean time, the duties of mayor were performed by Benjamin L. Allen, chairman of the board of aldermen.

ALDERMEN.

Nathaniel P. Russell, Daniel Baxter, Joseph H. Dorr, re-elected; and Thomas B. Wales, and Redford Webster, elected 1825 declined.

George Blake, re-elected for 1826, declined.

John Stevens, elected for 1832, died prior to the organization.

James Savage, elected for 1834, declined.

In 1845 William Parker resigned.

In 1848 George E. Head resigned, and was afterwards chosen one of the Principal Assessors.

In 1853 Lyman Perry, Esq., who had been duly elected an Alderman, died before his qualification.

In 1856 Levi B. Meriam, Esq., died while in office.

In 1858 Rufus B. Bradford resigned, and was afterwards appointed Measurer of Grain.

In 1859 Timothy A. Sumner, Esq., resigned on account of illness, and soon afterwards died.

At the municipal election in 1852, *nine* Aldermen had a majority of ballots; but in accordance with the statute, the eight who had the highest number of votes were declared elected.

The Municipal Government for 1855 was the first one that was organized under the new or revised City Charter, which provided for the annual election of *twelve* Aldermen.

For reports of *contested seats* in the Board of Aldermen, see City Document No. 7, for 1861, and City Document No. 16, for 1862.

COMMON COUNCIL.

William Bowes Bradford, Ward 3, elected 1822, did not qualify himself, declining to be sworn, there being then no provision for affirmation, except for Quakers.

Lucius Manlius Sargent, Ward 6, elected for 1827, declined.

Henry D. Gray and Isaac Harris, Ward 1; Eleazer Howard, Ward 2, and Joseph H. Thayer, Ward 9, elected for 1828; also, Holmes Hinckley, Ward 11, for 1845, declined prior to the organization.

Samuel Thaxter, Ward 6, elected for 1830, declined.

William Foster, Ward 6, elected for 1831, declined.

John Boles, Ward 3, re-elected for 1838, declined.

The Junior of George Morey, omitted 1829.

Asa Adams, Ward 3, took the intermediate name of Perry, 1830.

Henry Andrews, Ward 2, elected in 1833, afterwards took the intermediate letter R.

The Junior of Joshua Seaver, Ward 6, omitted 1833.

The Junior of Henry Fowle, Ward 2, omitted 1837.

The Junior of Francis Brinley, Ward 10, omitted 1838.

The Junior of Ezra Lincoln, omitted 1851.

The Junior of William B. Fowle, omitted in 1865.

Ezra Forristall, Ward 6, resigned in May, 1853, and was elected Superintendent of Health.

Daniel J. Coburn, Ward 5, resigned in April, 1855, and was thereafter appointed Chief of Police.

Edward F. Robinson resigned in May, 1861, and was elected a Principal Assessor.

Charles J. McCarthy, Ward 7, resigned in March, 1862, and was appointed Paymaster of Relief Funds to Families of Soldiers in the United States service from Boston.

There have been thirteen successfully contested elections.

The first, February 22, 1830, vacated the seat of a member from Ward 6, on the ground that "closing the poll before the hour at which the voters were notified it would be closed, was a violation of the rights of the voters."

The second, May 7, 1835, vacated the seats of the members of Ward 3, who were returned as having been elected at an adjourned meeting, December 11, 1834, on the ground of irregular proceeding, to render the whole number of votes certain by taking the highest number of votes for candidates on each opposing ticket; adjournment of the meeting by the sole authority of the Warden, and other irregularities, at the annual election December 8.

The third case, March 7, 1830, vacated the seats of three members of Ward 12, on the ground that a number of illegal voters, sufficient to affect the choice, voted at the polls.

The fourth, February 9, 1843, vacated the seats of three members from Ward 1, returned as elected at the adjourned

meeting, December 14, on the ground that four votes for non-resident candidates (after having been first thrown out by the ward officers *) were counted at the annual election, December 12, thereby preventing the choice of two other candidates, who, by excluding the said four votes, were by the decision of the Council declared elected, leaving one vacancy.

The fifth, February 27, 1851, vacated the seats of two members from Ward 3, on the ground that they were chosen at an adjourned meeting which was illegally held. At the subsequent trial the same members were again returned to the Common Council.

The sixth, January 20, 1853, vacated the seats of three members of Ward 3, on the ground that they were chosen at an adjourned meeting which was illegally held.

The seventh, February 3, 1853, in accordance with the *Report of the Committee on Elections*, vacated the seats of three members from Ward 11, on the ground that the Mayor and Aldermen had no right to issue warrants for election of members of the Common Council, after the annual election, and before the organization of the Government elect. But inasmuch as the elections in question were conducted *bona fide*, and no other informality was apparent, and as this custom of supplementary elections had been in vogue for twenty years, the members thus elected were by the votes of the Common Council declared entitled to their seats.

The eighth, March 19, 1863, in accordance with the Report of the Committee on Elections, vacated the seat of a member from Ward 3, on the ground that at the time of his election he was not an inhabitant of that Ward. Before a decision was reached on this point the member in question resigned.

The ninth, April 9, 1863, vacated the seats of the entire delegation from Ward 10, on the ground that more votes were

* This fact was admitted, though not stated in the report of the committee.

returned than there were persons who voted in that Ward at the municipal election, — occasioned by mistake, probably, in the counting of the ballots, — the variation being so great as to affect the election of the whole delegation. At the subsequent trial the same members were again returned to the Common Council.

The tenth, January 24, 1867, vacated the seat of a member from Ward 3, who was chosen at an *adjourned meeting* (held on account of a tie vote at the regular meeting, Dec. 10, 1866), on the ground that the Polls, at said adjourned meeting, were not kept open the same number of hours as were required by the original warrant. At a subsequent election the same member was returned to the Common Council. [See City Doc. 12, for 1867.]

The eleventh, January 16, 1868, vacated the seat of a member returned for Ward 10, because by the count of the original ballots cast in said Ward, it appeared that another person was chosen.

The twelfth, January 6, 1870, vacated the seat of a member returned from Ward 13 for the same reason as recited above.

The thirteenth, January 5, 1871, vacated the seat of a member returned from Ward 15 for the same reason.
